Notwithstanding the foregoing, this Agreement shall remain in full force and effect following the Funding Termination Date for such time periods as necessary to give the terms and provisions of this Agreement their full force and effect.

Section 3. Scope of Work. The Grantee agrees to use the Grant solely for the reimbursement of costs and expenses paid by the Grantee for the performance of the Scope of Work subject to and in accordance with this Agreement and the Program Guidelines. The Grantee further agrees that the Grant shall only be disbursed in accordance with the attached budget in the amounts for each line item as set forth therein. Section 5. Reimbursement Procedures. The City agrees to disburse the Grant to the Grantee on a reimbursement basis for expenses necessarily and properly incurred under this Agreement and paid by Grantee based on the Scope of Work and in accordance with the budget set forth therein all as approved by the City. Payment shall be made in accordance with the following procedures:

5.1 **Reimbursement Request.** Reimbursement requests are to be in writing and presented to the City by the Grantee only after payment has been made by Grantee for labor and materials as set forth in the Scope of Work. Without limiting the foregoing, reimbursement requests shall be made not more often than monthly and only after approximately fifty percent (50%), and one hundred percent (100%) of the Scope of Work has been completed with such percentages based upon expenditure of overall Project costs. The City shall have the right to inspect and verify payment for all labor and materials prior to release of each reimbursement. By submitting a reimbursement request to the City, the Grantee shall be deemed to acknowledge and agree, and represent to the City, that (i) the work has progressed to the point indicated, (ii) the quality of the work is in accordance with the plans and specifications, and (iii) all monies previously paid by the City to the Grantee have been disbursed to the appropriate architect, contractors, consultants, subconsultants, subcontractors, materialmen, vendors and miscellaneous suppliers based upon the prior reimbursement request.

5.2 **Expenditure Report Required.** As part of each reimbursement request, Grantee shall submit to the City, for its review and approval, a detailed expenditure report with all invoices and proof of payment as well as any other information and documentation reasonably requested by the City. No request for reimbursement shall be processed without an expenditure report and the City reserves the right to withhold all or any portion of the Grant if required and/or requested documentation is not submitted or is in a form and substance not acceptable to the City. The payment of any reimbursement request by the City shall not be construed that the work or any portion hereof complies with (a) the Scope of Work, the contract documents, and plans and specifications and/or (b) applicable law including the Florida Building Code, it being acknowledged and agreed by the Grantee that it is the Grantee's sole responsibility to ensure the work complies with (a) and (b) above.

Section 6. Maintenance. Following completion of the Project and for a period of five (5) years thereafter, the Grantee, at its sole cost and expense shall be responsible for and perform all repairs, maintenance and replacements relative to the Scope of Work. The foregoing shall expressly include the repair and replacement of any personal property. Maintenance, repairs and replacements shall be in quality and class comparable to the original construction, to preserve the Project in good working order and condition, reasonable wear and tear excepted.

Section 7. Relationship of the Parties. The parties agree that this Agreement recognizes the autonomy of and does not imply any affiliation between the contracting parties. It is expressly understood and intended that the Grantee, its agents and employees, are not agents or employees of the City, but are only recipients of funding support, and is not an agent or instrumentality of the City or entitled to any employment benefits by the City.

Section 8. Assignment. This Agreement and participation in the Program are not transferable to new business owners or lessees. New business owners must re-apply to participate in the Program and are subject to the "Past Program Participation" restrictions set forth in the Program Guidelines

Section 9. Records, Reports, Audits, Monitoring and Review.

9.1 The Grantee shall maintain complete and accurate books, records and accounts of all costs and expenses incurred in connection with the Project. Upon the request of the City, all such books and records of the Grantee which relate to the Project shall be available for inspection and audit by the City or any of its authorized representatives at all reasonable times during normal business hours. The City shall be entitled to make such copies of the books and records as the City deems appropriate.

9.2 The Grantee's books and records shall be maintained or caused to be maintained in accordance with generally accepted accounting principles in a consistent manner, together with the pertinent documentation and data to provide reasonable audit trails for a period of six (6) years following the Funding Termination Date. The foregoing obligation shall expressly survive the expiration or earlier termination of this Agreement.

Section 10. Breach of Agreement; Remedies.

10.1 Breach. A breach by the Grantee under this Agreement shall have occurred if: (a) the Grantee fails to complete the Project as set forth in this Agreement; (b) the Grantee ineffectively or improperly uses the Grant allocated under this Agreement; (c) the Grantee does not receive all permits and/or governmental approvals for the Project as required by applicable law; (d) the Grantee fails to submit a detailed expenditure report as required by this Agreement or submits incorrect or incomplete proof of expenditures to support reimbursement requests; (e) the Grantee refuses to allow the City access to records or refuses to allow the City to monitor, evaluate and review the Grantee's Project; (f) a transfer or assignment occurs within three (3) years following completion of the Project as set forth in Section 9 above, (g) the Grantee makes or allows to be made any changes, alterations, or modifications to the completed Project without the prior written consent of the City, (h) the Grantee discriminates in violation of any Federal, State or local law; (i) the Grantee attempts to meet its obligations under this Agreement through fraud, misrepresentation or material misstatement; (j) the Grantee fails to obtain final certificates of occupancy or completion, as applicable, for the Project.

10.2 Remedies. Immediately upon the breach of this Agreement by Grantee as set forth in Section 10.1 above, in addition to all rights and remedies available at law or in equity, the City may terminate this Agreement by giving written notice to the Grantee of such termination and by specifying the termination date at least five (5) days before the effective date of termination. In the event of termination, the City may also (a) seek reimbursement of the Grant or any portion thereof paid to the Grantee under this Agreement; or (b) terminate or cancel any other agreements entered into between the City and the Grantee. The Grantee shall be responsible for all direct and indirect costs associated with such termination including, but not limited to, attorneys' fees and costs at both the trial and appellate levels and also incurred in enforcing this attorneys' fees provision.

10.3 No Waiver. No express or implied consent or waiver by the City to or of any breach or default by the Grantee in the performance or non-performance by the Grantee of its obligations

under this Agreement will be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by the Grantee of the same or any other obligations of such other Party hereunder. Failure by the City to complain of any act or failure to act of the Grantee or to declare the Grantee in default, irrespective of how long such failure continues will not constitute a waiver by the City of its rights hereunder. The giving of consent by the City in any one instance will not limit or waive the necessity to obtain the City's consent in any future instance.

Section 11. Indemnification by Grantee. The Grantee hereby covenants and agrees to indemnify and hold harmless the City and its officers, employees, agents, and instrumentalities from and against all liability, losses or damages, including attorneys' fees and costs, at both the trial and appellate levels, which the City may suffer as a result of claims, demands, suits, causes of actions or proceeding of any kind or nature arise out of, relating to or resulting from the performance or non-performance of this Agreement by the Grantee or its employees, agents, servants, partners, principals or subcontractors. The Grantee shall pay all claims and losses and shall investigate and defend (with legal counsel acceptable to City) all claims, suits or actions of any kind or nature in the name of the City, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees and costs which may issue. The Grantee expressly understands and agrees that any insurance required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the City. Nothing contained in this Agreement shall be construed to affect the City's right of sovereign immunity as provided in Chapter 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.

Section 12. Notices. Whenever any party desires to give notice unto any other party, it must be given by written notice, sent by certified United States mail, with return receipt requested, or by nationally recognized overnight delivery service, addressed to the party for whom it is intended and the remaining party, at the places last specified, and the places for giving of notice shall remain such until they shall have been changed by written notice in compliance with the provisions of this section. Notice may also be sent by electronic means (facsimile or email) provided such is followed by a hard copy of such notice provided in the manner set forth above. Notice is deemed given when received.
